Sir:

TERMINAL DISCLAIMER UNDER 37 C.F.R. §1.321(b)

I, William A. Clough, represent that I am a representative authorized to sign on behalf of the assignee identified below owning all of the interest in above-identified application.

The Assignee of this application is Microslate, Inc. (the "Assignee"), whose business address is 9625 Ignace Street, Suite D, Brossard, Quebec, Canada. I am employed by the Assignee as its President and am empowered to act on behalf of the Assignee.

The assignment of this application was recorded on February 10, 1989, on Reel 5060, Frame 0237. The extent of the Assignee's interest is in the whole of the invention. The undersigned has reviewed all documents in the chain of title of the above-identified application, and to the best of the knowledge and belief of the undersigned, title is in the Assignee.

On behalf of the Assignee, I hereby disclaim the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of United States Patent No. 5,379,057, as presently

shortened by any terminal disclaimer, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 5,379,057, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

The Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of United States Patent No. 5,379,057, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee; is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
